

# New England Horse & Trail Association

---

Winter 2011-2012

## It's Year-End Mileage Time Again!

Yes, folks – getcher mileage here. NEHT listed 92 rides for 2011, and all the ride chairs returned the NEHT sign-up sheets!!

But wasn't that a year for weather?! Eleven of our NEHT-affiliated rides were cancelled, and many others were able to go only after truly Herculean efforts by the ride chairs and helpers to clear trails or find substitute locations for the rides.

We owe those hard-working people mucho thanks for making the rides happen. Where would we be without them?!

## Eeek! My Miles Are Wrong!

You know what to do: Contact our **Jan Collins** by **March 1** for a listing of your rides.

If you see that a ride you did is missing from the list, please contact the secretary for that ride, and ask that person to contact NEHT with an update. NEHT can accept mileage reports only from ride secretaries.

Two ways to contact Jan: Send SASE for a printout of your rides. Or else send her email with NEHT in the subject line, and she'll email your list. Her contact info is in here, a few pages on.

## Join for 2012!

*Come one, come all! Look inside for NEHT membership forms for new members and renewals. See ya out on the trails!*

## Awards for 2011

This issue contains the preliminary list of award winners: NEHT awards for horses and riders who achieve milestone numbers of miles, and sponsored breed awards for the highest-mileage horses of certain breeds.

The awards list becomes final when everybody's mileage is confirmed. We'll announce any changes in the April news.

## Iron Butts, Fleet Feet

At this time, we pleased to announce two coveted but highly unofficial awards for 2011. Drum rolls, please . . .

**Edna Liberty** and her horse Saintly Bar (Roanni) were high mileage for the year with 542 miles.

Other horse and riders over 400 miles were **Marcy Gamester** and Travelon's Times Two (Moon) with 504, **Gail Greenlaw** with 414 and **Judy Lorimer** with 405. (Gail and Judy both rode more than one horse, so horse mileage was lower.)
